September 1, 2021

Dear Members,

Country Clubs East (CCE) is forming a new advisory board. We are retiring the current GVCC and TCC boards. We appreciate the efforts and service that members of those boards have made through the years.

We are looking for 6 members at GVCC and 3 members at TCC to be nominated for positions in the advisory board.

Committees

1. Golf Activities
2. Membership Functions
3. Club Beautification

We are certainly excited about the future with the advisory board and the improvements and contributions they will make.

Please include your nominee(s) with your September statement.

Thank you,

Chris Rigdon, Director
